Of course! Not many details right now other than the emphasis on the GAO report, but I will keep y'all in the loop with anything else we find out. We are meeting with Jennifer today at 1:30p to go over what she needs for the next week in preparation. I will be sure to include OCSP in any prep event that is scheduled and in the testimony review.

Travis,
Can we learn more about the IRIS hearing? We are hearing Jennifer is on a panel with GAO. We may have some equities here as the GAO report covered IRIS and TSCA.
